## Spring has us sprung!

A lot has happened since our last newsletter: we committed sins in Vegas, got some hardware in Albany, watched Monet get robbed when Mama Ru crowned 2 queens (yah, I said it!), and we finished up our indoor season with over 100 cans donated to the Pine Street Inn!

But Spring is here and we are only a few short months away from planters punch and speedos... oh, but more importantly, we have lots of soccer coming up! All that and more as you read on.

Just kidding... don't do that. We'll keep you busy with soccer.

## Sunday Soccer at Danehy Park in Cambridge

The best way for new and existing players to hit the pitch together and work on those skills. We'll focus on different drills each week followed by some good old fashioned scrimmaging.

Registration: 4/5  
Times: 2pm - 4pm

Begins: 4/28  
Runs: 13 weeks

If you register for Sundays you will get **PRIORITY REGISTRATION** starting 4/15 for Wednesday Nights (our most popular league that always ends up with a wait list)

## Wednesday Night at Rotch Field in the South End

Our most popular league of the year! 6 v 6 under the lights in the South End. We play on the small nets and most importantly, gather at the local watering hole after.

This league definitely fills up pretty quickly and we'll have a wait list for additional players should numbers start to dwindle.

Registration: 4/19  
Times: 8-9:30 pm

Begins: 5/1  
Runs: 13 weeks

Interested in playing even more soccer?! We are thinking about an 11 v 11 BSSC league on Saturdays starting in May. If you're interested, let us know!

We have lots of other events planned so keep be sure to like us on Facebook and follow us on Instagram to see the latest!

## Dear Daddy...

Dear Daddy,

*I have a confession. I've been talking to a boy I met online. He's bi and hot as hell - cute face, skinny waist, thick thighs, in shape. Oh and hung like a horse! I want to take it to the next step and actually meet up. There's only one problem. He thinks I'm a girl and I've kinda sorta been catfishing him. It started innocently with a few friends and a fake bumble, then a few swipes later and only a couple of pics and here we are. Don't worry, none were NSFW! But what do I do? HELP!*

Sincerely, A Girl Has No Name

Dear Arya,

Shame! Shame! Shame! She done already done had herses!!! How are you supposed to find love in that hopeless place if you're using a fake profile. You really dug yourself into a hole here, and likely not his.

But alas, I'm here to help and not pass judgement (and really, no judgment... just a whole lotta shade), so lets chat options here. If you're a hot dude (or a good liar), you may be able to pull this off. Most times, the emotional connections of a catfish are real, so if you sucked him in with your personality (cuz clearly you seem like a wonderful person), then that's a start. Plus, there's enough of us out there face-tuning and photoshopping abs on our bodies anyways so you could go down that route.

But my best advice? Double down. Whatever pics you used, go full on drag looking just like them. Get him to meet up, use that charming wit, and when you get him in the sac, give him the surprise of a lifetime! Love, Daddy (Yes. It's really me)

P.S. if it doesn't work out... tell him he can slide into my DMs.
